

## What is 4-H?

4-H is the youth education program of Colorado State University Extension. It's for boys and girls who are ages 8 to 18 on or before December 31.

4-H also offers the *Cloverbud* program for youth ages 5-7.

Custer County has four 4-H clubs with kids just like you. They live in towns, on farms and in rural areas. Wherever you live, whatever you like to do . . . 4-H is for you.

You can even start your own club. You just need you and four friends and one adult who will help you get started.

4-H cost is \$25.00 per year plus literature costs. You will also receive a monthly newsletter with 4-H happenings in the state, district and county.

## 4-H Pledge

I pledge my HEAD to clearer thinking,  
my HEART to greater loyalty,  
my HANDS to larger service,  
my HEALTH to better living for  
my club, my community, my country, and  
my world.
